Hi Everyone,

Jacquie sent the e-mail below to our management. This is the only update I have.

Subject: DuPont: FW: Draft UAO

FYI: Office of Water has the draft UAO and is currently reviewing it (see below). Also, AA Giles has asked for a summary of both federal and state cleanup authorities that could address the PFOA contamination in Ohio and West Virginia from the Washington Works facility. I understand Cynthia Giles is aware that Bob may want to participate in any substantive conversations she holds with Shawn Garvin about this matter. Thanks-Jacquie
